Synopsis - A widowed mouse must move her children out of their home in a field before the farmer starts plowing for the spring. Unable to leave because her son is ill, Mrs. Brisby seeks help from nearby rats, who have heightened intelligence after being the subjects of scientific experiments. She receives an unexpected gift from the elder leader of the Rats. She is soon caught up in a conflict among the Rats, jeopardizing her mission to save her family.

NIMH - National Institute of Mental Health.
